They didn't plan to be homeless, but you can plan to give them a second chance at happiness!

## You can help support homeless pets in a significant and lasting way by:

- Making a Commemorative Gift honoring a loved one
- Making a Major Gift, either on a one-time or annual basis
- Remembering the SPCA - Swift Current in your Will through a bequest
- Making the SPCA - Swift Current the beneficiary of a Life Insurance Policy or a pension plan
- Donating stocks and bonds and other types of financial assets

Speak to your lawyer or financial advisor about the option which provides you with the best philanthropic and financial planning benefits for your situation.

Besides the positive feeling of knowing the good your gift can do, there may be tangible tax and estate planning benefits to making a gift.

Talk to your family about your plans and intentions, including the wishes you have put into legal form, where the documents are kept, and who will carry out your wishes.

And when it's time, feel free to talk to us. We will endeavor to answer your questions and let you know if we can meet any special wishes you have regarding your gift. We will respect your privacy and we will not pressure you.

The SPCA - Swift Current is a CRA-registered charity which must fundraise approximately 80% of its operating budget to serve around 300 animals annually in south-west Saskatchewan.
